Notes  
on  
English Style

Учебное пособие представляет собой курс лекций и практических заданий для семинарских занятий по стилистике английского языка и интерпретации художественного текста и рассматривает такие важные аспекты данной дисциплины, как выразительные средства языка, основные виды функциональных стилей и т.п.

Учебное пособие рекомендуется для студентов факультетов иностранных языков, а также студентов университетов, изучающих английский язык как основную специальность.

# Contents
